

晚报全媒体推出视频系列产品《高架视界》

The promotional image features a large-scale, abstract graphic of the Chinese characters '高架视界' (Highway Vision) composed of numerous small, glowing blue and white dots, set against a dark background. The background shows a modern cityscape with a prominent elevated highway and skyscrapers under a clear blue sky. At the top left, there are logos for '青岛晚报' (Qingdao Evening News), '掌上青岛' (Handheld Qingdao), and '海螺视频' (Haile Video). Below the main title, a box contains the text '栏目介绍' (Column Introduction). A QR code at the bottom left invites users to scan and view the video.
