

市教育局紧抓课堂教学打开全面育人新局面 落地“新家访”为学生成长“把脉”

1. The first two sub-figures in Fig. 11 show the results of the first two steps of the algorithm. The first sub-figure shows the results of the first step, where the algorithm has identified the first two sub-figures in Fig. 11. The second sub-figure shows the results of the second step, where the algorithm has identified the first two sub-figures in Fig. 11.
